

## **ASCP FOUNDATION SEEKING NEW/ADDITIONAL BOARD MEMBERS**

In June of this year, the ASCP Foundation will be (re)selecting several new members to our Board of Trustees.

The Foundation is looking for board members who believe in our mission and are willing to be active in their governance roles. We believe that this work has never been more important than it is today. We are looking for individuals whose experience and involvement in the community would be an asset to our organization and we hope that you will recommend someone or yourself.

ASCP Foundation is entering a challenging and exciting time as economic pressures on our constituency increase and the demand for our services continues to rise. We have a tradition of high quality service and activism related to our constituency and we invite you to become part of our team.

While we do ask that our board members play an active role, we pride ourselves on supporting each other as a team and believe that we offer an opportunity for our members to learn and grow with the organization. Meeting time is about one hour per quarter and travel is not required.

If you wish to be considered, or submit a candidate for consideration, we ask that you complete our brief response form and forward a bio to [info@ascpfoundation.org](mailto:info@ascpfoundation.org) by May 1, 2015.

If you have any questions, please don't hesitate to contact the Foundation directly at: (703) 739-1300 X 122, or, [info@ascpfoundation.org](mailto:info@ascpfoundation.org).

Thank you.

What expectations do you have from the management of organizations on whose boards you serve?

What are your personal dreams or aspirations that could be enhanced by service on our board?

What professional or personal constraints on your time or service might you anticipate?

Are you willing to make a financial commitment that is a stretch, i.e. a gift that is larger than you might otherwise give?
